Recurrence: (none)

Meeting Status: Accepted

Organizer: Oliver, Jacques
Required Attendees: John, Forrest; Paul, Michael; benjamin.jessup@tetrattech.com; Santhiska Pather

This is a preliminary scoping call to review the NM workplan, which builds off of the proof-of-concept document prepared by Tetrattech.

Let's discuss the tasks outlined by NM, delineate the scope of work in more detail, and identify a date for meeting with NM staff on getting started.
